Important Questions	Answers	Why This Matters:		
What is the overall deductible?	\$1,200 individual / \$2,400 family. Co-insurance and co-payments do not apply to the deductible.	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount each <u>plan</u> year before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> . Your <u>plan</u> year: 01/01/2018 through 12/31/2018.		
Are there services covered before you meet your deductible?	Yes, preventive services, office visits and prescription drugs	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>co-payment</u> or <u>co-insurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .		
Are there other <u>deductibles</u> for specific services?	No. There are no other specific <u>deductibles</u> .	You don't have to meet <u>deductibles</u> for specific services.		
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	\$1,800 individual / \$3,600 family. Prescription drugs: \$1,300 individual / \$2,600 family. Medical and prescription drug out-of-pocket limits are separate.	The <u>out-of-pocket limit</u> is the most you could pay in a <u>plan</u> year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own out-of-pocket limits until the overall family <u>out-of-pocket limit</u> has been met.		
What is not included in the out-of-pocket limit ?	Premiums, <u>balance-billing</u> charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .		
Will you pay less if you use a network provider?	Yes. See www.bcbsvt.com/findadoctor or call (800) 255 -4550 for a list of <u>network</u> providers.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan</u> 's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider</u> 's charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.		
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .
