Annual Student Information Update

As in previous years, most of the District's back-to-school paperwork will be completed through an online system called PowerSchool. Using this system, you will update the information we have on file for you and your student(s). Each summer, families will receive communication from the school with instructions on how to log in to complete this update process.

The online form gathers contact information, permission slips, etc. These forms are required for all students.

Students may not be allowed to attend school if the following information is not up to date:

Medical, Emergency Contact, Immunizations, and Lunch Forms (if applicable).

Thank you for your help in completing these forms.

Expanded Learning Opportunities

Burlington Expanded Learning Opportunities fosters the social and academic success of over 1,600 BSD students annually through quality afterschool and summer programming in an environment that creates lasting connections with peers, adults, and the community. The program serves K-12 students, operating every day after school until 5:30 p.m. and for five weeks in the summer.

Programs provide a range of activities from academic support and recreation, to student leadership and community service learning. Each program also works closely with more than 50 community partners to provide opportunities such as sailing, woodworking, environmental education, LEGO Robotics, art, and more. Visit www.bsdrv.org/expanded-learning or contact **Christy Gallese**, Director of Expanded Learning Opportunities, for registration information and other questions at **(802) 540-0285, ext. 71200**.

Parent/Family Involvement

Burlington is committed to providing parents/guardians the opportunity to get involved in their child's education and school community. Principals and teachers work to build strong relationships with families, and families are always welcome to contact them to set up one-on-one meetings to support their student(s).

Each elementary and middle school has a Parent-Teacher Organization (PTO) and the high school has a Boosters Club. They provide many opportunities for families to get involved, from creating community building events to hosting workshops to fundraising. To get involved in your child's PTO, please contact your child's school.

In addition, the Superintendent hosts three Advisory Groups, one for families, students, and teachers. Each group has at least 12 members, including at least one representative from each of our schools, with a goal of having a diverse and inclusive representation from families, students, and teachers that make up the BSD community. Learn more about the Advisory Groups at www.bsdrv.org/superintendent-advisory-groups/.

For the District Parent Involvement Procedure and other information visit www.bsdrv.org.

Parent University

Parent University fosters a sense of belonging and connection among families in our schools while strengthening collaboration between the School District and greater Burlington community. The program partners with a growing number of community organizations, as well as City and State departments, to provide learning opportunities to parents, grandparents, and guardians in two 10-week sessions that enrich, engage and empower parents and guardians as equal partners in the education and well-being of their children. Any BSD parent is welcome and encouraged to enroll in this FREE PROGRAM; interpretation services are provided. For more information about the program, please visit:

www.bsdrv.org/our-schools/parent-university/ or contact **Sydney Hinckley** at shinckle@bsdrv.org or (917) 868-4606.

ATTENDANCE / ABSENCES / TARDINESS

School attendance is essential for children. The City of Burlington and the State of Vermont are continuing their efforts to ensure that students attend school for a full school day. Students are required by State Law to attend school unless excused for illness, family emergency, religious observance, or pre-approved educational activity.

When students are absent or tardy, the school documents the cumulative incidences of tardiness and/or absence of each student, which may be used for truancy proceedings. Support services are offered as needed.

Attendance and truancy procedures now fall under the responsibility of the Office of Equity. The Office of Equity will be revising truancy procedures to be more restorative and equitable, with a goal of taking a more of a needs-based approach and less of a punitive approach. Please see below for our current procedures.

The Attendance Procedure requires:

- After 5 and 10 respective cumulative absences during any school year, the School District will contact the parent/guardian.
- After 15 cumulative absences (or less, if deemed necessary) during any school year, the building administrator may request that the parent/guardian attend a school conference with representatives from the school and other appropriate community or independent resources. The meeting will focus on a plan that includes supportive services such as prevention, diagnostic, intervention, and remedial services, alternative programs, and other school and community resources for ensuring the student's future attendance.
- Failure to attend 15-absence meeting: A School Resource Officer or other school personnel may make a home visit or other contact with the parent/guardian to reschedule the meeting.
- After 20 cumulative absences during any school year, the school at its own discretion may file an affidavit concerning the absences with the Chittenden County State's Attorney's Office. The parent/guardian will be notified that the filing was made, and will be notified of the possibility of criminal prosecution for truancy or a petition to determine if the student is a child in need of care and supervision. A conviction for truancy could result in a fine of \$1,000 and a determination that the child is in need of care or supervision. It could also potentially result in loss of custody as the most serious consequence.

The Tardiness Procedure requires:

- Phone calls may be made to parents at 5, 10, 15, 20 and 25 incidences of tardiness. At 15 incidences, the building administrator may request a meeting to address the student's tardiness.

Our intent — and the intent of Vermont State Law — is to ensure students are in school and learning. Help us help your student by supporting their attendance.

HAZING, HARASSMENT, AND BULLYING (HHB)

In the beginning of the 2015-2016 school year, the State of Vermont made changes to its bullying, hazing and harassment policies. In previous years there were three separate policies: one for bullying, one for hazing, and one for harassment. Currently, there is one policy that covers bullying, hazing, and harassment. The new policy is also accompanied by a complete set of implementation procedures.

BSD's Bullying, Hazing, Harassment, and Conduct policies are currently being reviewed and rewritten to better reflect the District's commitment to Restorative Practices. This work will continue and there will be an opportunity for community feedback and input.

Burlington School District strives to foster a safe learning environment where all students and school staff display respectful behavior towards each other. Bullying in any form is not tolerated. BSD strongly encourages our entire community to report any known incidents of Hazing, Harassment, and Bullying to any adult in any of our buildings.

Specifically, **bullying** refers to behavior, including electronic, directed at a student from another student or group of students that is repeated over time, is intended to ridicule, humiliate, and/or intimidate the student and occurs during the school day on school property, on a school bus, before or after the school day, and/or at a school-sponsored activity. Procedures are in place at each school for handling bullying behavior, and parents are encouraged to talk with building administrators when they are concerned about bullying incidents. See Student Harassment section below for information on school-based Designated Employees and other resources available in the District.

Hazing refers to any act committed by a person (individually or with a group), on or off school property, against another student in connection with pledging, being initiated into, affiliating with, holding office in, or maintaining membership in any organization that is affiliated with Burlington School District. Hazing activities are intended to humiliate, intimidate, and/or demean another student and will not be tolerated in the School District.

Dental Care at the Integrated Arts Academy

The Community Health Centers of Burlington's (CHCB) School-Based Dental Center was designed to ensure access to dental services for low-income Burlington students without a Dental Home. Launched in 2004 as a collaboration with BSD, students can sign up at school or be referred to CHCB for dental services right at the Integrated Arts Academy. The School-Based Dental Center offers ongoing comprehensive dental care during the school day and provides transportation to and from schools for appointments at IAA. The staff also provides oral health education regarding good oral hygiene habits, the importance of eating healthy foods, how to preserve smiles for a lifetime, and more. Tooth Tutors also help with registration forms and connect students to dental care. Please call **(802) 652-1050** if your child has not seen a dentist within one year, or does not have a Dental Home. The School-Based Dental Center provides dental care to any BSD child grades K-12 who has Medicaid or is not insured. CHCB offers a Sliding-fee Scale Financial Assistance Program for those who do not qualify for Medicaid. **For information regarding the Sliding-fee Scale Financial Assistance Program, call CHCB Patient Support Services at (802) 264-8124.**

Due to COVID-19, this program was on hold in 2020-2021. The District will continue the Dental Care program in 2021-2022. During the 2019-2020 School Year:

- We cared for 471 students.
- Kids received over 675 cleanings with free toothbrushes, toothpaste and goodie bags.
- 40 new children came into the Dental Program for a check-up.
- 740 sealants were completed.
- We cared for 9 children with urgent dental care needs while they were in school.
- 64 children were referred to a local specialist office for complex dental needs.

Consent or acquiescence by the victim of the hazing does not excuse those who participated in the hazing. Hazing, soliciting, directing, aiding or attempting to aid in or assist another person in hazing or failing to take reasonable measures to prevent hazing is unlawful and a student may be subject to prosecution under the law and under the District's Policy and a penalty up to \$5,000. Hazing incidents may also be reported to law enforcement agencies.

Examples of hazing include:

1. Any type of physical brutality such as whipping, beating, striking, branding, electrical shocks, placing a harmful substance on or in the body, or other similar activity.
2. Any type of physical activity such as sleep deprivation, exposure to the elements, confinement in a small space, or other activity that creates or results in an unreasonable risk of harm or that adversely affects the mental or physical health or safety of the student.
3. Any activity involving consumption of food, liquid, alcoholic beverage, liquor, drug, or other substance that subjects a student to risk of harm.
4. Any activity that induces, causes, or requires a student to perform a duty or task, which involves the commission of a crime or an act of hazing.

Complaints of suspected hazing should be reported to the Designated Employees at each school, who will investigate such complaints.

Harassment is a form of unlawful discrimination that will not be tolerated by Burlington School District. The District will address all complaints of harassment promptly and take reasonable steps to end harassing conduct.

Prohibited Harassment: Cyber-Bullying or Cyber-Harassment

There is no specific statute pertaining to cyber-bullying or cyber-harassment. Rather, the Vermont statutes that define "harassment" and "bullying" each have been amended to expand their scope to include and cover behaviors that may happen off campus/online, *but only where the behavior can be shown to impact the student's ability to access education.* For example, cyber-harassment is referred to here in the underlined text:

- A. Harassment:** an incident or incidents of verbal, written, visual, or physical conduct, including any incident

conducted by electronic means, based on or motivated by a student's or a student's family member's actual or perceived race, creed, color, national origin, marital status, disability, sex, sexual orientation, gender identity or gender expression that has the purpose or effect of objectively and substantially undermining and detracting from or interfering with a student's educational performance or access to school resources or creating an objectively intimidating, hostile, or offensive environment.

1. **Sexual Harassment:** conduct that includes unwelcome sexual advances, requests for sexual favors and other verbal, written, visual or physical conduct of a sexual nature.
2. **Racial Harassment:** conduct directed at the characteristics of a student's or a student's family member's actual or perceived race or color, and includes the use of epithets, stereotypes, racial slurs, comments, insults, derogatory remarks, gestures, threats, graffiti, display, or circulation of written or visual material, and taunts on manner of speech and negative references to racial customs.
3. **Other Protected Categories of Harassment:** conduct directed at the characteristics of a student's or a student's family member's actual or perceived creed, religion, national origin, marital status, disability, sex, sexual orientation, gender identity, or gender expression; includes but is not limited to the use of epithets, stereotypes, slurs, comments, insults, derogatory remarks, gestures, threats, graffiti, display, or circulation of written or visual material, taunts on manner of speech or dress, and negative references to customs related to any of these protected categories.

a. Creed or Religious Harassment means harassment based on or motivated by a student's or a student's family member's actual or perceived creed or religious beliefs or practices, including manner of dress.

b. National Origin Harassment means harassment based on or motivated by a student's or a student's family member's actual or perceived national origin, including manner of dress.

c. Marital Status Harassment means harassment based on the status of being an unwed mother or father directed at, or motivated by, a student's or a student's family member's actual or perceived marital status.

d. Sexual Orientation Harassment means harassment based on or motivated by a student's or a student's family member's actual or perceived sexual orientation.

e. Gender Identity Harassment means harassment based on an individual's actual or perceived gender related

identity or gender related characteristics, intrinsically related to an individual's gender or gender identity, including but not limited to appearance or behavior, regardless of the individual's assigned sex at birth.

f. Gender Expression Harassment means harassment based on or motivated by an individual's or individual's family member's actual or perceived gender expression, including, but not limited to, appearance or behavior, regardless of the individual's assigned sex at birth.

g. Disability Harassment means harassment based on manner of speech or movement, cognitive ability, receipt of educational services outside of the general education environment, or other manifestation of a person's disability directed at, or motivated by a student's or a student's family member's actual or perceived mental or physical disability.

Reporting Harassment: All students, parents/guardians, school community members other than staff are encouraged to report incidents of misconduct or student harassment to a school employee or one of the two Designated Employees at your school/building. Any adult school employee who sees or hears, or receives a report either written or oral, of student harassment, must immediately inform a Designated Employee. A list of current Designated Employees is available on bsdvt.org.

Schools/buildings will post the names of their current Designated Employees at the beginning of each year. Contact Sparks, Director of Equity, with any questions at hsparks@bsdvt.org or (802) 865-5332.

BSD employs a District Non-discrimination Coordinator as well as School Non-discrimination Coordinators at each school. The Non-discrimination Coordinators are responsible for overseeing the investigative work of the District's Designated Employees. The District Non-Discrimination Coordinator is Sparks, Director of Equity; please contact Director Sparks or your school principal for information regarding your school's Non-discrimination Coordinator.

Investigation: A Designated Employee who is not the subject of the complaint or another designated individual shall begin an investigation upon notice of the complaint. When the investigation is complete the complainant and the accused will be notified.

Consequences: If an individual is found to have engaged in misconduct or harassment, he/she will receive education,

training, discipline (up to and including suspension, expulsion or termination, banning from school property), or other consequences that are appropriate to the offense and that are designed to prevent future harassment.

Independent Review: A complainant may make a written request to the Superintendent for an independent review of the matter if the complainant (1) believes that the school did not correctly analyze the complaint and failed to conduct an investigation of the matter because the school believed the alleged conduct was not possible harassment, (2) is dissatisfied with the final determination made after the investigation as to whether harassment occurred, or (3) believes that although a final determination was made that harassment occurred, the school's response was inadequate to correct the problem. The independent review shall be conducted by a neutral person in accordance with the Policy.

Retaliation: Retaliation against anyone who files a harassment complaint or cooperates in the making or the investigation of a complaint is strictly prohibited, basis for separate discipline, and illegal pursuant to 9 V.S.A. 4503(a).

Privacy: Complaints and any resulting consequences will be confidential as permitted by investigative needs, duty to act on certain results, compliance with Vermont Public Record Law, and consistent with the Family Education Rights Privacy Act.

Alternative Complaint Process: Complaints of harassment can also be filed with: Regional Director, Office for Civil Rights, U.S. Department of Education; 8th floor, 5 Post Office Square, Boston, MA 02109-3921; Email: OCR.Boston@ed.gov, (617) 289-0111 (TDD); or the Vermont Human Rights Commission, 14-16 Baldwin St., Montpelier, VT 05633-6301, Email: human.rights@state.vt.us, (800) 416-2010 (Voice) or (877) 294-9200 (TTY).

Prohibition of Discrimination and/or Harassment of Employees and Others: In summary, discrimination and/or harassment of an employee or other person protected by the laws listed below and Board Policies, on the basis of any of the following characteristics of their race, national origin, color, creed, religion, age, sex (including but not limited to sexual harassment, pregnancy, parental status), disability, sexual orientation, gender identity, gender expression, ancestry, marital status, place of birth, or political affiliation is a form of unlawful discrimination and is prohibited by School District Policies and as provided for in Title V, Section B, 504 of the Rehabilitation Act of 1973, 29 U.S.C. § 794, et seq.; Title

Immunizations

Vermont State Law requires schools to get proof of your child's immunization status. If it is not provided, your child cannot attend school. No person may enroll as a student in a Burlington school without an age-appropriate or up-to-date (whichever one is clearer) record or certificate of immunization, or documentation proving religious or medical exemption.

To Comply:

- Submit proof of required immunizations to your student's school nurse.
- If your student is missing any required immunizations, make an appointment to have your student immunized with their health care provider and contact the school nurse to verify.
- Submit appropriate documentation regarding the student's exemption.

Required Immunizations Include the Full Series of:

For PreK only: Hib and PCV

For PreK-6 students: DTaP (diphtheria, tetanus and pertussis); polio; MMR (measles, mumps, rubella); hepatitis B; and varicella (chickenpox).

For 7th grade students: TDaP.

Proof of immunization must be provided **for all students**. Exemption paperwork must be filed annually.

Student Health

Every school has a health office where services are provided by a Registered Nurse, certified as a VT School Nurse.

In case of illness, please keep any symptomatic child home from school and call your pediatrician. **Children should be free of fever, diarrhea, and vomiting for 24 hours before returning to school.** If a child has strep throat, they must take antibiotics for 24 hours prior to returning to school.

Head Lice

Parents/guardians should check their young children's heads once a week, and especially before returning to school after vacations. The best way to do this is to use a metal lice comb to go through your child(ren)'s damp hair. If you find lice, your school nurse or health care practitioner can give you good advice about getting rid of them.

(Continued on next page.)

Student Health *(continued)*

If your child is found to have head lice at school, you will be notified. It is very important to treat your child before returning to school.

BSD follows the guidelines of the VT Dept. of Health and the Centers for Disease Control. For more information refer to: <https://identify.us.com/idmybug/head-lice/head-lice-FAQS/index.html> and/or <https://www.consumerreports.org/medical-conditions/preventing-and-treating-head-lice/>

Commitment to Diversity and Equity in the Burlington School District

The diversity of our students is an asset to the Burlington community. Burlington School District believes that all students and staff deserve a safe, inclusive learning and work environment where differences are valued and celebrated. The District also believes that every student has a right to strive to learn at their highest and greatest potential.

BSD firmly believes racism and white supremacy culture negatively impact our entire District and is committed to the eradication of racism and white supremacy culture in our District.

The District has committed itself to closing the opportunity gap in student outcomes based on racial, ethnic, socioeconomic, linguistic, ability, or any other real or perceived disparities that may limit any student's opportunity to be fully included and successful in school.

The Burlington Board of School Commissioners continues its support and commitment to the District's diversity, equity, and inclusion work. Under the leadership of the BSD's Superintendent, Tom Flanagan, the District Equity and Access Leadership Team was restructured to allow for the creation of BSD's first Office of Equity. The Office of Equity provides District leadership around issues of equity and access, including fully implementing Restorative Practices and providing resources, support, and advocacy towards just, equitable, and inclusive solutions.

If you suspect that your child has a disability and is between the ages of birth–5 years of age, please call the Early Education Program at **864-8463**. If your child is between the ages of 5–21 years, please call Student Support Services at **864-8456**.

CONDUCT

All students in Burlington School District are required to follow reasonable expectations regarding conduct and behavior during the school day, on school buses, on public buses regularly used to attend school, and at school activities. Burlington School District staff are responsible for establishing and maintaining an atmosphere that fosters such behavior. Parents/guardians, staff members, and Burlington School District share the responsibility for fostering positive behavior among everyone in the District. However, the ultimate responsibility rests with the students and their parents/guardians. Parents/guardians will be informed if their child's behavior becomes concerning or unsafe.

Appropriate conduct measures are designed to teach students to accept responsibility for their behavior. Inappropriate conduct shall be addressed through a restorative process and students will be held accountable for their behavior. Any consequence imposed shall be done with regard for the due process rights of the student being disciplined to the extent required by law.

Suspension / Long Term Suspension / Expulsion: Students may be suspended or expelled for violating school rules or School Board Policies, or otherwise engaging in misconduct on or off of school property. Suspensions longer than 10 days

and expulsion are imposed only by recommendation of the Superintendent and a School Board Hearing. The School Board may expel a student through the end of the current school year or 90 school days, whichever is longer.

Disciplinary Measures: Disciplinary measures shall be imposed with regard for the due process rights of the student being disciplined to the extent required by law.

Restorative Practices: Restorative Practices are rooted in relationship-building and rebuilding to create a culture of equity and belonging that results in healing and learning. Burlington School District, in partnership with the Burlington community, embraces Restorative Practices ensuring that all, including those who have been harmed, will have their needs and experiences recognized and acted upon, thus creating a supportive climate of empowerment for all. In some cases, students may be separated from their assigned school building, but never completely separated from their education.

Drugs / Alcohol: As required by Vermont State Law (Title 16, Section 1165, 909), Burlington schools have a comprehensive K-12 Drug and Alcohol Abuse Prevention curriculum. Additionally, teacher training programs, support and referral systems, a cooperative referral agreement with an approved treatment agency, an approved School Board Policy, and District-wide awareness of the issue exist.

Tobacco: Any tobacco use in any shape or form on any school campus (including cigarettes, cigars, chew, vaping, or any others) is prohibited by law. Vaping and forms of vaping are considered cigarette/tobacco products and are also prohibited.

EDUCATIONAL SUPPORT SYSTEM

The goal of Burlington School District's Educational Support System is to provide students with additional assistance needed for access in school or to overcome challenges in the general education environment. Each school in our District has developed an Educational Support Team (EST), which accepts referrals for students who have academic and/or behavioral concerns. This assists teachers in planning for students who need extra assistance in the classroom or during unstructured school activities. This team also compiles data from its work, which is considered by the school's Action Plan when building the overall capacity of the Educational Support System.

If you would like to learn more about the Educational Support System, please contact your school's principal or guidance counselor.

RESPONSIBLE COMPUTER, NETWORK and INTERNET USE

Burlington School District recognizes that information technology (IT) is integral to learning and educating today's children for success in the global community and fully supports the access of these electronic resources by students and staff. The purpose of this policy is to:

1. Create an environment that fosters the use of IT in a manner that supports and enriches the curriculum, provides opportunities for collaboration, and enhances staff professional development.
2. Ensure the District takes appropriate measures to maintain the safety of everyone that accesses the District's IT devices, network and web resources.
3. Comply with the requirements of applicable federal and state laws that regulate the provision of access to the internet and other electronic resources by school districts.

Burlington School District provides students and staff access to a multitude of IT resources including the Internet. These resources provide opportunities to enhance learning and improve communication within our community and with the global community beyond. However, with the privilege of access comes the responsibility of students, teachers, staff, and the public to exercise responsible use of these resources. The use by students, staff, or others of District IT resources is a privilege, not a right. The same rules and expectations governing student use of IT resources apply to other student conduct and communications, including but not limited to the District's harassment and bullying procedures.

The District's computer and network resources are the property of the District. Users shall have no expectation of privacy in anything they create, store, send, receive or display on or over the District's computers or network resources, including personal files and electronic communications.

The Superintendent is responsible for establishing procedures governing use of IT resources.

This policy applies to anyone who accesses the District's network, collaboration and communication tools, and/or student information systems either on-site or via a remote location, and anyone who uses the District's IT devices either on or off-site.

The District is not liable for unacceptable use or violations of copyright restrictions or other laws, user mistakes or negligence, and costs incurred by users. The District is not responsible for ensuring the accuracy, age appropriateness, or usability of any information found on the District's electronic resources network including the Internet. The District is not responsible for any damage experienced, including, but not limited to, loss of data or interruptions of service. The District is not responsible for the accuracy or quality of information obtained through or stored on the electronic resources system including the Internet, or for financial obligations arising through their unauthorized use.

The District reserves the right to revoke access privileges and/or administer appropriate disciplinary action for misuse of its IT resources. In the event there is an allegation that a user has violated this policy, the School District will handle the allegation consistent with the student disciplinary policy. Allegations of staff member violations of this policy will be processed in accord with contractual agreements and legal requirements.

ENTRANCE AGE

Students who are residents of Burlington may enroll in Kindergarten if they are five years old on or before September 1 of the year they wish to enroll. If a student is six years old on or before September 1 they may enroll in first grade.

Early Entrance to Kindergarten

In an attempt to meet the needs of individual children, as a service, Burlington School District will consider early entrance to Kindergarten requests for students whose birth dates fall between September 1 and September 30. If you would like to pursue this opportunity for your child, please contact Burlington School District's Early Education Program at (802) 864-8463.

HEARING AND VISION SCREENINGS

Schools are required to annually screen the hearing and vision of students in their school district in K, first, third, and fifth grades. Vision screening is required in PreK, K, first, third, fifth, seventh, ninth, and twelfth grades. All students should visit their primary care provider EVERY year. Parents are permitted to opt their children out of such screenings by giving notice to school principals.

Multilingual Liaison Program

The Multilingual Liaison (ML) Program is a unique asset of the Burlington School District that serves multilingual students and families. It includes 11 full-time Multilingual Liaisons who work to connect families and communities with schools and provide support to students with 10 different home languages. The ML program also works with 20+ on-call or contract interpreters for additional languages who facilitate communication between home and school. The Liaisons and interpreters work to meet the needs of approximately 950 Burlington School District students, Pre-K-12, who have home languages other than English, as well as their families. Contact Coordinator **Nijaza Semic** at (802) 288-6048 or nsemic@bsdvt.org with any questions.

(Continued on next page.)

Child Nutrition & Food Service *(continued)*

School meals are served to students under the National School Lunch and Breakfast Program and follow the nutritional guidelines prescribed by the Healthy Hunger-Free Kids Act of 2010. This law was designed to reduce the incidence of childhood obesity by providing healthier choices to students. All meals, foods and beverages are prepared and served by qualified child nutrition professionals.

Meals Provided:

- FREE Breakfast for all students.
- FREE Afterschool Supper for all students.
- FREE fruits and vegetables for K-5 students during class.
- If permitted, lunch will include homemade soup, full salad bar and milk — *every day*.

The BSFP is also proud to provide access to meals all summer through the Summer Food Service Program.

We continue to increase the amount of local products served in our cafeterias. We are proud to say that one-third of our purchases are invested into Vermont products and that all of the beef we serve is Vermont Beef!

Our Farm to School program connects students and their families with whole, fresh, and local food as well as many Vermont farmers to strengthen the health of our community.

Buying local helps to boost BSFP programs, connecting children to their food system and creating opportunities for local farmers to provide their harvest to schools in their communities.

Our program also oversees many District gardens and works to provide garden education. Maybe you have seen our Fork in the Road food truck at some Burlington events? Please visit our website to find out more about all of the Farm to School and Fork in the Road activities, as well as our payment procedures: <http://burlingtonschoolfoodproject.org>.

MEDICATION IN SCHOOLS

A parent/guardian must annually complete a request form (available on our website) to have prescription drugs administered during school hours. A written order from the prescribing health care provider is required. The medication must be brought to school in the original container labeled with the student's name and dosage. The medication will be kept in locked storage by the school nurse, unless it is a life-saving medication. Please contact your school nurse to develop a plan of action regarding response to any allergies or asthma or if you have any questions about medication.

MILITARY / POST-SECONDARY RECRUITERS

Parents may request that their child's name, address and telephone listing not be released to military or post-secondary recruiters without prior written parental consent. For more information, talk with your building principal.

NON-DISCRIMINATION

Burlington School District and its employees do not discriminate against other employees and/or applicants for employment, or students on the basis of race, gender or sex (including, but not limited to, pregnancy, parental, and marital status), color, age, creed, religion, disability, handicap, ancestry, place of birth, national origin, marital status, political affiliation, sexual orientation, gender identity, or gender expression to the extent provided by law and Board Policies.

This Non-Discrimination Policy extends to any School District employment and education practices, policies, procedures or programs, activities, services and facilities. Additionally, the School Board will take steps to employ qualified people with disabilities in programs receiving federal assistance under the Individual with Disabilities Education Improvement Act. Employees, applicants for employment, and students are encouraged to use the District's Internal Complaint Procedures to resolve any complaints they may have regarding School District violation of federal law with respect to discrimination. All Burlington School District employees will fully cooperate in any investigation conducted under these procedures and shall be honest and forthcoming with any relevant information. In addition to these Internal Complaint Procedures, other complaint procedures are available and accessible on the District's website or at a principal's office.

PARENT / GUARDIAN CONTACTS

Please keep the school informed of a current emergency telephone number where the person with the legal parental rights and responsibilities or the guardian for your student can be reached if you are not at home. The telephone number of a parent/guardian workplace or a neighbor's number will be used for individual emergencies only, such as illness or accident.

PROTECTION OF PUPIL RIGHTS ACT

Under the Federal Protection of Pupil Rights Act, parents/guardians have the right to be informed of any survey of their child(ren) conducted by a third party for the collection of personal information for market surveys and non-emergency, invasive physical examinations or screenings. Parents/guardians have the right to opt their child(ren) out of such surveys and also have the right to inspect any survey and/or instrument intended to be used in the survey, examination or screening. In addition, the Act provides a right to inspect any instructional materials used as part of the educational curriculum.

SCHOOL CLOSING

If it becomes necessary to close Burlington Schools for the day, announcements will be made via the SchoolMessenger communication system after 6:00 a.m. Local TV and radio stations, our website, and BSD's social media channels will also list closings. SchoolMessenger announcements will be sent via some combination of telephone calls, emails, and text messages. It is important that the schools have accurate and up-to-date contact information for SchoolMessenger. You can update your contact information as part of the annual school update process via the PowerSchool Registration System. During the course of a school day, unexpected situations may occur that require closing one or all Burlington Schools. That decision will be made by the Superintendent's Office, with consultation of appropriate resources such as school principals, the Property Services Director, and/or the Burlington Police Department. Notification of this decision will be made as far in advance as possible, although some situations may require the immediate dismissal of students.

SCHOOL SAFETY

Burlington School District continually works to increase and improve security measures and overall safety, including

the safety and well-being of individuals. A Crisis Safety Management Plan is in place to provide school staff with responses for crisis/safety situations. Additionally, each school has its own Crisis Safety Team which meets regularly and a District-wide School Safety Committee, including members of the Burlington Police and Fire Departments, which meets monthly.

The District has a list of Standard Response Protocols designed to help staff react in a consistent and thoughtful way during an emergency situation. In 2019-20, "Run, Hide, Fight" was added to these protocols as a strategy to protect lives of students and staff in the event of a threat. The District has also implemented barricading of spaces and first aid trainings as additional strategies to respond to threats.

School Resource Officers (SRO) are also part of the District's overall safety plan. In 2021, a community-led School Safety Task Force recommended reducing the total number of SRO's in BSD schools from two to one and that officers no longer be stationed in schools. BSD is currently working on a new memorandum of understanding with the Burlington Police Department to ensure our strong partnership continues in a way that respects the voice and lived experiences expressed by the task force and members of our community.

In response to the COVID-19 pandemic, the District will follow the guidance and procedures as recommended by the State of Vermont.

School building safety measures include:

Identification: To monitor who enters school buildings, all staff have photo identification to be worn while in buildings at all times. This includes all teachers, paraeducators, administrators, maintenance and facilities staff, food services staff and other support personnel.

Visitors: Visitors to the buildings will be required to wear a visitor's pass during the school day. Staff are asked to watch for any adult in a building without such identification or pass and to redirect them to the office.

Doors: Schools are asked to lock all doors during the school day. Visitors may request access to the main office through a buzzer/video camera identification system.

Signs: A sign will be posted at each building directing all visitors to the main office to sign in and get a visitor's pass.

Professional Learning

The goal of professional learning is to promote and sustain continuous teacher development and growth. The District uses local and federal funds to develop a balanced professional learning system which includes teacher leadership, local consultants, and regional workshops and trainings.

During the 2021-2022 school year, principals and staff will have opportunities to participate in District and school-level designed professional learning experiences. In addition, staff may elect to participate in additional experiences both nationally and regionally to support their professional growth.

State Testing

State Math and English/Language Arts Assessment: All students in grades 3-8, and grade 9, are required each spring to take the state test called the Smarter Balanced Assessment Consortium (SBAC). SBAC is a computer-adaptive assessment measuring each student's performance against the Common Core State Standards in Mathematics and English/Language Arts. Schools administer SBAC annually between March and June.

State Science Assessment: All students in grades 5, 8, and 11 are required to participate in the Vermont State Science Assessment. Like SBAC, the science assessment is administered in the spring of the year using a computer and is designed to measure each student's performance against the Next Generation Science Standards (NGSS).

State Fitness Assessment: In May of each year, Vermont administers a Fitness Assessment to students in grades 4, 7, and 9 using the Fitnessgram tool. The state requires that we test our students in four areas: aerobic capacity, muscular strength, muscular endurance, and flexibility.

Parent / guardian and eligible student rights:

- To inspect and review the student's education records within a reasonable time.
- To seek the correction of the student's education record if needed.

Requesting Amendment of Educational Records: Parents/guardians or the eligible student must request Burlington School District amend their student's records. They should identify the part of their record they want amended and specify why they believe it is inaccurate, misleading or in violation of the student's privacy or other rights.

Disclosure of Information without Consent of Parent / Guardian: Burlington School District will disclose information from a student's record without the parent/guardian consent in accordance with the exceptions to consent permitted by FERPA, 99 CFR §99.31.

TEACHER AND PARAPROFESSIONAL QUALIFICATIONS

Because Burlington School District receives Title I funds, parents/guardians, upon request, have the right to obtain information regarding whether their child(ren)'s teacher has met State qualifications and licensing criteria, whether the teacher is teaching under a waiver or provisional license, and what the teacher's major is as stated in his or her baccalaureate degree or masters degree.

If the child receives services from a paraprofessional, the paraprofessional's qualifications must also be furnished. It is the District's intent that no student will be taught by a teacher for four or more consecutive weeks who is not qualified through training and experience. Parents/guardians also have the right to obtain information as to the level of achievement of their child in each of the State's academic assessments.

TUTORING / HOME-BOUND SERVICES

Students are eligible for instruction in an appropriate public setting, at home, or in the hospital whenever they are unable to attend school for a period of 10 consecutive school days or more because of a medical disability or pregnancy. For information about this service, please contact the school principal.

VIDEOTAPE / FILM / PHOTOGRAPHY

Burlington School District employs the use of video surveillance in various locations and at random times as part of a system for safety and security. Videotaping, filming, or photographing students while participating in school activities requires proper preparation and justification and could violate the Family Educational and Privacy Act (FERPA). Burlington School District reserves the right to disapprove any filming or videotaping.

Parents/guardians may elect not to have their child(ren) videotaped, filmed or photographed through the use of a

parent/guardian form that is distributed annually and also available in the school office. Events such as awards assemblies, plays, graduations, concerts, athletic contests or similar events that have newsworthy aspects are open to the public and, therefore, the media are not intended to be part of this Policy. In the event of fire, accident or unusual circumstance, the Superintendent or their designee will determine if the public and/or media may be permitted access to the school.

This Policy is not applicable to videotaping, filming and photography that will only be used by school officials with a legitimate educational interest or where the work meets other exceptions to FERPA's disclosure rules. Videotaping, filming or photography of any student without the explicit knowledge and permission of the student is expressly prohibited, except where it is done as a direct consequence of security procedures implemented with the express knowledge and approval of the Superintendent. Anyone who violates this Policy may be subject to disciplinary measures.

WEAPON POSSESSION

A student found by the School Board, after a hearing, to have brought a weapon to school, including a school activity, can be expelled for up to one calendar year.

A weapon includes but is not limited to a firearm, an explosive device, or a potentially dangerous device such as a sharp-edged item that can inflict bodily harm.
