Section 101 - Recognition

The Board hereby recognizes the union as the sole and exclusive representative of its employees as certified by the Vermont Labor Relations Board, Docket No. 97-67, for the purpose of collective bargaining with respect to wages, hours of employment and other conditions of employment, in accordance with the laws of the State of Vermont (T.21 V.S.A., Chapter 22) respecting labor relations for public employees.

Section 102 - Savings Clause

If any provision of this Agreement or any application of this Agreement to any employee or group of employees is held to be contrary to law, then such provision or application shall not be deemed valid and subsisting, except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

Section 103 - Notice Under Agreement

A. Whenever written notice to the Board is provided for in this Agreement, such notice shall be addressed to the Office of the Superintendent, Superintendent of Schools, Ira Allen Building, 150 Colchester Avenue, Burlington, Vermont 05401. Such notice may also be hand delivered to the Superintendent of Schools/receipt required.

Whenever written notice to the American Federation of State, County and Municipal Employees, A.F.L.-C.I.O. Local 1343, is provided for in this Agreement, such notice shall be addressed to the President of Local 1343, or hand delivered to the shop steward responsible for handling the grievance/receipt required.

Either party by written notice may change the address at which future written notice to it shall be given.

B. Communications regarding "Negotiating Procedure" are governed by Article I, Section 105.

Section 104 - Non-Discrimination

A. The provisions of this Agreement shall be applied equally to all employees in the bargaining unit without discrimination as to age, gender, gender identity, sex (including but not limited to pregnancy and parental status, marital status, race, color, creed, national origin, sexual orientation, gender expression, disability, religion, or political affiliation. The Union shall share equally with the employer the responsibility for applying this provision of the Agreement. All reference to employees in this Agreement designates both

sexes, and whenever the male gender is used it shall be construed to include male and female employees.

The employer agrees there shall be no discrimination and further agrees not to interfere with the rights of employees to become members of the Union, and there shall be no discrimination, interference, restraint, or coercion because of Union membership or because of any employee activity in an official capacity on behalf of the Union.

- B. Acts of discrimination based on race and other protected characteristics will not be tolerated by the District or the Union and all complaints will be promptly investigated and addressed in accordance with the Policies and Practices of the Burlington School District.

If the Union is made aware of a complaint involving alleged acts of discrimination based on race and other protected characteristics by a Union member, the Union may take further appropriate action (beyond those taken by the Burlington School District) to rectify the situation according to the internal processes within the Union.

Union members are empowered and encouraged (and may be mandated by State of Vermont law or Agency of Education regulation) to report any known acts of discrimination which may be suffered by students within the District to the District. Such allegations of discrimination will likewise be promptly investigated and addressed, by the District, in accordance with District Policies and Practices.

Establishing a broad anti-racist and anti-discriminatory culture based on social equity within the School District is an appropriate subject of discussion at Labor Management Committee meetings.

Both the Union and the District commit to coordinating in good faith on this important social issue and adhering to the principles outlined in this Sub-Section without resort to the enforcement and grievance procedures included in this Agreement as such provisions shall not be applicable to this Sub-Section 104 B.

Section 105 - Negotiations Procedure

A. The Board and the Union agree to meet not later than October 1, of the final year of the Agreement for the purpose of negotiations, in a good faith effort to reach agreement for the year beginning July 1 of that year on any proposals submitted with respect to Negotiable Subjects if either party gives written notice to the other of desire to modify this Agreement by registered or certified mail on or before November 30, of the final year of the Agreement. an opportunity to read the material. The employee shall acknowledge that he/she has read such material by affixing his/her signature on the actual copy to be filed with the understanding that such signature merely signifies that he/she has read the material to be filed, and does in no way indicate agreement with its contents. The employee shall have the right to answer any material filed and his/her answer shall be attached to the file copy. The employee shall have the right to see and/or reproduce any documents in his/her personnel file.

2. Failure to affix one's signature in accordance with this article will be sufficient grounds for discipline.

- E. Records of disciplinary action or written complaints are to be removed from an employee's file, if after one (1) year there has not been a reoccurrence and no other actions or complaints regarding the employee have been received, and the removal is agreed upon in a meeting between the Union Steward, employee and the Superintendent or designee. If the offense is of a serious nature for which the employee has been disciplined such records may remain in the file for four (4) years and then removed only under the conditions listed above; and at the discretion of the Superintendent (or designee).

An employee shall have the right to have a Union representative present with him/her at any meeting with the Board or its administrative staff at which discipline may result. The preceding sentence shall not be read so as to prohibit the right of an employee's immediate supervisor to order him/her to leave the job site for an egregious or illegal infraction pending review thereof.

Section 704 - Grievance Procedure

- A. A grievance is defined as being a dispute between the parties as to the meaning or application of a specific provision of this Agreement or a claim that the Board has taken disciplinary action without just cause. It is the intention of the parties that grievances be settled at the lowest step possible.

- B. Definition: For the purpose of this procedure, one (1) day shall mean twenty-four (24) hours, following the receipt of grievance or answer to a grievance. All days shall be work days unless otherwise indicated.

- C. Procedure:

STEP 1: Grievance shall be made in writing directly to the Director of Food Services within ten (10) days of the alleged occurrence or reoccurrence. After meeting with the appropriate parties within ten (10) work days, the Director shall give his written answer to the grievance within fifteen (15) days after this meeting.

STEP 2: If the grievance is not settled at STEP 1, it may within fifteen (15) work days of the receipt of the STEP 1 answer, be appealed by written notice by the Union representative

to the Superintendent of Schools. The Superintendent (or designee) shall hear the Grievance at STEP 2 within ten (10) work days, and shall provide a written response to the grievance within fifteen (15) workdays of the Step 2 hearing. Failure by Management to respond within the required fifteen (15) work days at Step 2 will result in an automatic appeal by the Union to Step 3.

STEP 3: If no satisfactory settlement is reached in STEP 2, the Union may submit the grievance to arbitration in accordance with Section 705 of this Agreement.

- D. No grievance shall be considered under the foregoing procedure unless it is presented in the manner set forth herein, and in order to be considered further such grievance must also be advanced to each STEP within the time limits of this Article. A grievance based upon a suspension or dismissal may be initiated at STEP 2 if the suspension or dismissal action was enacted by the Director of Food Services, or at Step 3 if said action was enacted by the Superintendent (or designee). A Grievance may be withdrawn at any time without prejudice.
- E. A grievance shall be processable only if action is taken with the time limit set out for each STEP and shall only be processable by or in conjunction with the Union representative. The settlement of a grievance in any case shall not be made retroactive for a period exceeding the date of commencement of the grievance procedure as above outlined.

Section 705 - Arbitration

- A. The Union, upon written notice to the Board within twenty (20) days following the unsuccessful consideration of the grievance by the Superintendent as provided in Step 2 of Section 704, may request arbitration of any grievance which involves the interpretation or application of a specific term or provision of this Agreement. Arbitration is possible only if such grievance has not been settled after being fully processed through the grievance procedure in accordance with the time limits and provisions of Section 704 and arbitration is timely requested. If the Board and the Union are not able to agree on the selection of an arbitrator within a period of fourteen (14) days of the date of such written request, such grievance may be referred by either party to the Federal Mediation and Conciliation Service for the selection of an arbitrator, in accordance with the rules of the service. If the grievance is not so referred within thirty (30) calendar days after the request for arbitration, it shall be considered settled and shall no longer be subject to the grievance or arbitration provisions of this Agreement. The parties shall share equally in the compensation and expense of the arbitrator. The decision of the arbitrator shall be final and binding upon the parties.
- B. The arbitrator's authority shall be limited to interpreting and applying the provisions of this Agreement, and shall have no power to add or subtract from, alter or modify any of its provisions.

Section 706 - Seniority

Seniority shall be calculated from the most recent date of hire.

Section 707 - Reduction in Force

Whenever the employer reduces the size of the workforce, employees shall be laid off on the basis of inverse seniority. The employer shall notify the Union of such reduction as far in advance as is reasonably possible.

Section 708 - Recall

Employees laid off shall be recalled by order of seniority.

Recall shall be in the reverse order of layoff. Employees subject to recall shall be notified by the Board, by certified mail, return receipt requested. A copy of such recall letter shall be given to the local Union president. However, a failure to give such letter to the Union president shall not in any way enlarge the rights of an affected individual. The laid off employee shall have seven (7) working days from the date the letter is posted to notify the Board that he/she will return to work. Such certified letter shall be mailed to the employee's last known address. In the event an opening occurs within the job group from which an employee is laid off, at a time when one or more employees are laid off from the job group, the senior employee on layoff from the job group will be recalled to fill such opening. Once an employee has been afforded the opportunity of recall, he/she shall be deemed to have waived all recall rights under this section to the job group from which he/she was transferred, or, if the employee is on layoff, his/her refusal shall terminate his/her seniority under Section 705.

Seniority shall not continue to accrue during lay off.

Section 709 - Acknowledgment of Arbitration

It is understood that this Agreement between the Burlington Board of School Commissioners and the Food Service employees of AFSCME Local 1343 contains an agreement to arbitrate. After signing this document, it is understood that neither party will be able to bring a lawsuit concerning any dispute that may arise which is covered by the arbitration agreement, unless it involves a question of constitutional or civil rights. Instead the parties agree to submit any such dispute to an impartial arbitrator.

IN WITNESS THEREOF, the parties hereto have hereunto set their hands and seals this
30 day of November 2020, by their duly authorized representatives.
